## SUMMARY

Electronics and Communication Engineering undergraduate skilled in digital systems, web technologies, and creative design. Demonstrated leadership as Branding Chair, Innovation Co-Chair, and NSS Student Coordinator, coordinating 100+ participants across IEEE, NSS, and Yuva events. Published one research paper in IEEE Xplore. Experienced in digital branding, content creation, project execution, and web-based platform development.

## EDUCATION

**Bachelor of Engineering (ECE)** – Jeppiaar Engineering College, Chennai (**Anna University**)

**CGPA: 7.9**

2023-2025

## SRKV Matric Higher Secondary School

- HSC +2 – 85.5% (Rank: 2nd)
- HSC +1 – 78.5% (Rank: 1st)

## TECHNICAL SKILLS

Programming & Web: Python, HTML, CSS (Basics)

Tools & Software : MATLAB, Canva, MS Excel, MS Word, MS PowerPoint

Other Skills : Content Writing, Digital Media Design, Team Leadership, Coordination

## PROJECTS

- **Wireless Power Transmission** (Jan 2025)  
Designed a resonant inductive coupling system achieving 82% transmission efficiency at short distances.
- **Dental Appointment Management System** (Feb 2025)  
Developed a doctor booking & queue system with SMS/email notifications (HTML, CSS, JavaScript). Improved patient flow efficiency by 30% through automated scheduling.
- **Smart Chime with Digital Display** (May 2025)  
Developed an Arduino-based automated school bell system. Reduced manual scheduling errors by 95%.

## EXPERIENCE

**Intern – NLC India Limited (NLCIL), Neyveli (Mine-II)**

June 2025 | 14 Days

Exposure to telecommunication systems and networking in mining operations.

**Technical Intern – ThinkSemi Infotech Pvt. Ltd.**

Dec 2025 | 15 Days

SMT Engineering & Quality Checking

Hands-on experience in SMT processes, PCB inspection, and quality testing.

**Digital Media Intern – Manvaasam (Remote)**

June 2024 – August 2024

Designed digital creatives and managed social media campaigns.

## LEADERSHIP & RESPONSIBILITY

Branding Chair & Innovation Co-Chair – Yuva (2025–Present) - Chairperson – IEEE SPS, SBJEC (2025–Present) - NSS Student Coordinator – Jeppiaar Engineering College (2023–Present) - Event Coordinator – Jeppiaar Engineering College (2023–Present)

## RESEARCH & PUBLICATIONS

Published research paper in IEEE Xplore (2025):

A Comparative Performance Analysis of Classical and Gradient Boosting Machine Learning Algorithms for Breast Cancer.

## ACHIEVEMENTS

- Winner – Poster Design & Non-Technical Events (2024)
- Star of Maatram Award – Recognized for outstanding contribution (2025)
- Star of Maatram Award – Honored for impactful volunteering and high-performance outcomes (2026)
- Cash Prize – RMK College Event (2024)
- Multiple Certificates – Event participation, coordination, and design

## LANGUAGES

- English – Fluent
- Tamil – Native
